1. Before the test you must obtain *permission to test* from the following:
 - a) Your coach - signature required on the front of the application
 - b) Your home club officer or test chair if you are not a member of SCOB. This can be a fax, a letter of permission or a signature on the front of the application
 - c) If you are a SCOB member the office must confirm that you are a member of good standing (this includes being current in your bills) They will inform you and the test chair if a problem exists. All SCOB members will submit their test applications to the office.
2. Photocopies of test sheets are available on request following the test session. The original copies are retained by the test chair for club records.
3. Judges' critiques are usually offered following the completion of the test session. You are encouraged to take advantage of this valuable learning experience. The judges are always happy to offer positive evaluations.

 1. SCOB members (whose applications are on time)
 2. Non Members who take lessons at the Club
 3. Guest skaters
 4. Late entries
5. Dance Test Dates are posted in the office and are usually held on a Wednesday evening (Club Dance Session). For the test to be held, Club policy requires that *one* member test at least *two* dances, or that *two* members test at least *one* dance. Evening tests are run about 4-5 times a season (more are scheduled as needed). *Ice Dance Training Center* (IDTC) tests are held as needed and are *primarily* for those IDTC skaters taking lessons at this session. Second priority is for the students of the IDTC coaches who take lessons at other clubs.
6. In compliance to Club and USFSA Policy, a neat and groomed appearance is essential when testing. Proper skating attire is also required.
7. There are usually *no* refunds for cancellations unless for a serious reason. In this case, the test chair must be directly contacted and it will be his/her decision as to whether a partial or full refund is given. Usually a **\$10.00** cancellation fee is charged.
